

## Club Invention® at RightTime KiDS™

### Castles, Catapults, and Coats of Arms Module

*The Club Invention program travels back to the Middle Ages to recreate an environment that was familiar during those times. Applying the lifestyle and science concepts that were known to people of that time, children create jewelry and coats of arms, explore the concept of buoyancy as they build boats that float, construct tall towers and drawbridges, and fabricate catapults to storm castle walls!*

**WHEN:** Choose from TWO options to enjoy Club Invention:

- (1) **AFTER SCHOOL CLASS:** 5 Weeks beginning Tuesday, May 17th, 2011 from 4:30 pm - 6:00 pm
- (2) **TRACK OUT CLASS:** Track 2 from May 16th-20th, 90 minute classes 10:30am - 12:00pm

*Join us for this same class during track out. Your child does not need to be registered for track out camp to participate in this class.*

**COST:**

- (1) **AFTER SCHOOL CLASS:** \$80 for 5 weekly 90-minute sessions (meeting every Tuesday); 10% discount for siblings.
- (2) **TRACK OUT CLASS:** \$80 for 5 daily 90-minute sessions; 10% discount for siblings.

*\*A special discount of \$65 will be given to those who are enrolled in camp at RightTime KiDS; 10% discount also for siblings. NOTE: Your child is NOT required to be enrolled in camp to participate.*

**WHO:** Boys and girls ages 6-12.

**WHERE:** RightTime KiDS at Wake Forest, 919.554.8030.

**HOW TO REGISTER:**

- In-store at Wake Forest or Durant Road RightTime KiDS
- By phone at 919.554.8030

**QUESTIONS?** Contact Stefanie James at [wakeforest@righttimekids.com](mailto:wakeforest@righttimekids.com).

**IMPORTANT:** A minimum of 12 children must be registered for the class to take place. Please share this flyer with friends, neighbors and classmates who may be interested.
