At RightTime KiDS, we know that Mom is amazing. She juggles schedules like a pro. She loves her family deeply and selflessly. She gives her time and energy, making sure her children are happy and healthy, socialized and sanitized. She provides safety and security, wisdom and humor. She's the last to eat, and the first to offer help. She nurtures her children.

And when she finally allows herself an overdue, well-deserved break, she knows one of the best places to take her kids to have FUN while she gets things DONE is RightTime KiDS.

We celebrate mom this month. And we are grateful and humbled that you have chosen us to care for your children when you need to tend to adult-stuff.

Happy Mother's Day to each of you, from all of us at RightTime KiDS!

From the mouths of your children, reasons why moms are so awesome:

"She lets me play with my friends." - 6 year old boy

"She sometimes takes a break from work to play with me even though she's really busy." - 7 year old girl

"We like to tickle on the belly. And when she tickles me, I do the hiccups!" - 5 year old boy

"I like EVERYTHING about my mom!" - 5 year old boy

You've heard it from the best! MOMS ROCK!

Magnet Spotting Game!

We've got a great fun way for our loyal customers to show their RTK colors and to possibly gain a couple of FREE hours for doing so.

- (1) Stop by RTK and pick up your RTK Car magnet.**
- (2) Sport your RTK magnet on your favorite vehicle.**
- (3) And Drive, Drive, Drive...**

When we see RTK magnets around town, we will write down the vehicle tag number, and send out an announcement once per week via email. If the tag we spot is yours, and you respond, **you get 2 free hours** added to your account! How cool is that?! **TWO** free hours just for being seen!

Hurry in while supplies last to get your magnet; the game is already underway and supplies are limited!

We greatly value your opinions:
