We are so thankful....

There's no question that this has been one of the tougher years any of us has ever lived through from an economic standpoint. Many wonderful businesses have had to close their doors.

All of us at RightTime KiDS want to thank you for your continued support. We have stood strong through this recession, and have even been able to give back.

your comments!

Through our Free Childcare During Job Interviews program, we have been able to help some of our customers get back on their feet (keep those success stories coming!)

We have been able to continue supporting your schools, your churches, your

charitable fundraisers. Thank you for thinking of us when seeking donations.

We have been able to participate in some of the organizations we have supported for years, including Piedmont Wildlife, Duke Children's Hospital and Scott-Free, among others.

We have also continued to grow and have more locations coming soon. We have made improvements to our website, making it easier for our customers to find out what's happening at their own RightTime KiDS Drop-In Center. And now, our latest update is the ability for our customers and your friends/family to purchase Gift Certificates online.

There are more exciting improvements on the way. Thank you for bringing your wonderful children to have FUN while you get things DONE!

We greatly value your opinions:
