

October 2009

We've been busy entertaining your children with things like karaoke contests, Mad Science, Shake-Rattle 'n Roll groovin'...and I think we're having as much fun as they are!

We have a few things to tell you about this month, and a few reminders.

RightTime KiDS is committed to education. We strive to provide fun but enriching programming for your children while they play. We underwrite continuing education and certifications for our staff members, and we plan parent education and enrichment events at our centers. The Garner store had a great staff education presentation about great customer service (I thought you'd like that!) Most recently, the North Raleigh location hosted a Wellness, Wealth and Wisdom event which had information from the professionals at Snap Fitness, Chiropractic Works, Audrey Echt Dermatology, Julie White Massage, Watkins-Watkins Financial Advisors and Advanced Healthcare Solutions. For more information and links to these great resources, please visit "Mark Your Calendar" on the [North Raleigh location](#) on our web site. Let them know you heard about them from us (they'll take great care of you!)

Another very special parent education event (and frankly, a "wow, this really works!" kind of thing) will take place at YOUR HOUSE, in your pajamas, with a glass of cabernet in your hand, if you should so desire. Huh? Let me explain.

Positive Parenting Solutions and RightTime KiDS have partnered to present you with a FREE Webinar on Tuesday October 13th from 9:00-10:00 PM. The topic: The Art of Consequences. Who should attend? Parents of children ages 1-16 who want to learn concrete tools to effectively correct misbehavior- without yelling, nagging or punishing. Doesn't that sound great? [SIGN ME UP!](#) to preregister.

A great resource for parents is the [national PTA website](#). This month's issue has some great tips about safety; including safety at school and safety online. Take a few minutes to check it out. And speaking of school and parent involvement...[Election Day](#) is next week on October 6th and there are candidates on the ballot for the School Board. We all have opinions about what works, what doesn't. What's good for our families, and what isn't. Opinions are much more effective when we voice them through channels like [VOTING](#). Let your desires be known, and cast your ballot. Bring your children if you can; they learn by example. (And kudos to the candidates who have had the courage to step up to the plate; that is NOT an easy job!)

We have a new [FREQUENT VISITOR REWARDS](#) program at RightTime KiDS! For every 20 visits by a family (not per child), you will get your Frequent Visitor Card stamped. After your 20th visit, you will be rewarded with your choice of either 10% off your next package purchase or 2 free hours. All stamps must be within a 12-month period. Pick up your card at your RightTime KiDS center. It's our way of thanking our loyal families!

As always, please feel free to share your feedback with us by emailing feedback@RightTimeKiDS.com.

Warmest regards,
Lori Klein & the RightTime KiDS Team
